Adjacent Building Occupants – B&L Building, Denison Gate House, Mullen House, Susie Hopkins, & Agway Facility.

This correspondence provides a status update for the construction of the Williams Inn Building.

**Dates for Activity:** 9/6/16 – 9/9/16, 9/12/16 – 9/14/16

**Work Activities:** Subsurface exploration for proposed Williams Inn located at the corner of Spring and Latham Streets.

**Details and Impact to Adjacencies:**

- Subsurface explorations will be performed in and around the existing agway barn facility to allow soil characterization of the site to inform the design of the proposed Williams Inn project. The majority of the work will occur within the agway facility fence.
- Construction related deliveries will avoid Spring St. and follow the routing being utilized for the Science Center.
- The attached boring plan details the approximate locations for the borings.
- There will be construction and equipment noise during the duration of this activity. Normal work hours will be Monday through Friday from 7:00am – 5:00pm and Saturday work as necessary.
