Office of Planning, Design and Construction

CONSTRUCTION ACTIVITY NOTICE
Adams Block Roof Replacement

October 12, 2016
Adjacent Building Occupants of the Adams Block (30 Spring Street)

This correspondence provides a status update for the ADAMS BLOCK ROOF REPLACEMENT

**Dates for Activity:** Mid through late October

**Work Activities:** Vanguard Roofing will be installing a new membrane roof on the Adams Block building starting on Tuesday October 18, 2016.

**Impact to Adjacencies:**
- Accommodations will be made to provide uninterrupted access to building entrances off Spring Street.
- Occasional re-routing of pedestrian traffic around overhead construction activity may be required at different intervals of construction
- Parking spaces directly in front of the Adams Block may be blocked off for periods of time during the day
- Dumpster(s) and lifting equipment will be located in the alley adjacent to the Cinema building at various times during the day. (Alley will be cleared at night for emergency responders as required)
- Accommodations will be made to provide uninterrupted access to the Cinema building businesses
- A certain level of noise and dust associated with the removal and replacement processes should be anticipated.
- Standard work hours are 8:00 am to 5:00 pm but may extend later in the day as required to provide a water tight condition at the end of a shift/day.
- Project is expected to take 6 – 8 working days from start to completion.
