Office of Planning, Design and Construction

CONSTRUCTION ACTIVITY NOTICE 1
Garfield House Project

December 16, 2016

Adjacent & Building Occupants of Garfield House (4S South Street)
This correspondence provides a status update for the GARFIELD HOUSE RENOVATION PROJECT

Dates for Activity: Tuesday December 20th & Wednesday December 21st

Work Activities: A team of engineers and drillers will be conducting a geotechnical survey to determine the soil characteristics around Garfield House. Essentially drilling four (4) holes into the earth at various depths and removing core samples for analysis.

Impact to Adjacencies:

- All four of the borings are located within the paved areas around Garfield House
- Traffic along the driveway may be interrupted while the drill rig is in position
- A certain level of noise is associated with this drilling process.
- No work anticipated inside the building
