Office of Planning, Design and Construction

CONSTRUCTION ACTIVITY NOTICE
Garfield House Fiber and Copper Installation

DATE: 4/26/2017

Building Occupants of: Garfield House

Adjacent Building Occupants of: CDE and Miller

This correspondence provides information regarding relocation of existing fiber and copper to the Garfield House.

Dates for Activity: May 1 - May 2

Work Activities: Exterior Site Excavation and Mechanical Space Wiring

Impact to Adjacencies:

- JS Rae and Gigliotti Electric will be installing conduit as well as fiber and copper to the Garfield House.

- This work is necessary to relocate the services out of the footprint of the construction area for the new CDE Residence Hall.

- Construction related equipment will be boring underground from South Street into the Northeast corner of the Garfield House basement.

- Customary construction related noise and use of equipment can be expected around the exterior of the building while work is underway.

- Access into and out of the Garfield House will be maintained at all times.

- All fiber and copper connections will be activated and tested prior to removing the existing fiber and copper. There will not be interruption of any internet or phone as a result of this work.

- Work hours will be from 8am until 5pm Monday, May 1st and Tuesday, May 2nd.
