CONSTRUCTION ACTIVITY NOTICE

Utility and Paving

April 19, 2018

Adjacent Building Occupants of Morley Science Center, Thompson Physics, Jenness House, Hardy House, Rice House, Jesup Hall & Morgan Hall

This correspondence provides a status update for the New Science Center as related to the paving on the east side of the project site immediately adjacent to the Morley Circle, Jenness, Rice, and Hardy Houses.

Work Activities: Final Paving of Morley Drive and South Building Parking Lot & Loading Dock Access

Impact to Adjacencies:

- Final Paving and associated closure of Morley Drive, Jenness Parking Lot, and Morley Loading Dock is scheduled for Tuesday April 24, 2018. Unfortunately, the scheduling of this work is necessary with reduced notice due to the uncooperative weather and temperatures experienced so far this spring.
- The new South Building Parking Area, Morley Loading Dock Access, Morley Drive and Jenness Parking Lot will be closed on Tuesday April 24th, 2018 to allow for final paving. While not anticipated, If weather once again becomes an issue this work will be rescheduled and communicated accordingly.
- We apologize for this inconvenience while we work to complete all final site improvements and paving in conjunction with the impending opening of the Science Center South Addition.
