**CONSTRUCTION ACTIVITY NOTICE**  
Bronfman Science Center

May 16, 2018

This correspondence provides a notification of work associated with the decommissioning and demolition of Bronfman Science Center in preparation for construction of the new North Science Center Addition.

**Impact Area:** Bronfman Science Center and surrounds

**Projected Dates for Activity:** May 26, 2018 – December 2018

**Work Activities:**

- Bronfman Decommissioning: **May 26 – June 10, 2018**
- Bronfman Demolition and Excavation: **June 11 – December 2018**

Final faculty and staff moves out of Bronfman are scheduled for completion on **May 25, 2018** at which time [general access to Bronfman will become limited to decommissioning, demolition and excavation crews.](#)

Beginning **May 26**, use of the Bronfman parking lot will be limited to those associated with decommissioning activities.

Approximately **June 11<sup>th</sup>** construction fencing will arrive and the construction zone around Bronfman will begin being secured for construction personnel only. The North Addition construction zone will remain secured through the end of 2020.

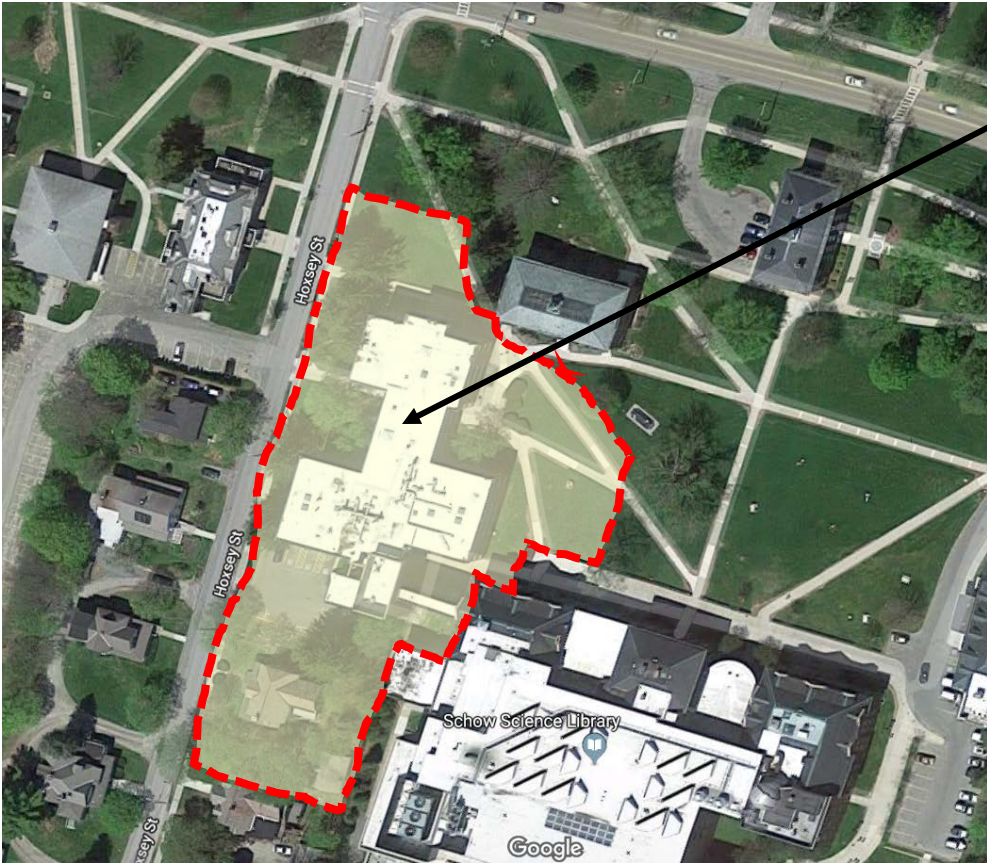

**May 25-June 10:** There may be moderate to loud noise within and around Bronfman associated with decommissioning activities. Moving trucks and contractor vehicles may be found using the loading dock of Bronfman.

**June 11 – December 31:** There will be loud noise within and around Bronfman associated with demolition and excavation activities. Construction vehicles will be entering and existing the construction zone via Hoxsey Street entrances.

Construction activities are scheduled normally to start at 8am and end no later than 7pm Monday thru Friday, however on occasions work activities may require extended hours or weekend work.
