Work Activities: Final Paving of Morley Drive and South Building Parking Lot & Loading Dock Access

Impact to Adjacencies:

- On Monday May 21, 2018 Morley Drive and Jenness Parking Lot will be closed from 7 am until approximately 12 PM as required for the crane to allow Large Bowl to be reset into Morley Circle. As soon as the crane picks are completed and the equipment is broken down the Drive and Parking will be restored.
- We apologize for this inconvenience while we work to complete all final site improvements and paving in conjunction with the impending opening of the Science Center South Addition.
