**CONSTRUCTION ACTIVITY NOTICE**  
Bronfman Demolition

June 8, 2018

This correspondence provides a notification of Bronfman Science Center demolition work.

**Projected Dates for Activity:** June – Fall 2018

**Work Activities:**

Bronfman Science Center and adjacent parking lot have been taken out of service. Access to these facilities is now restricted and bridge and tunnel circulation between Bronfman and Thompson Biology Labs has been closed.

Monday June 11 site mobilization will commence for demolition of Bronfman. Construction fencing will begin arriving to secure the construction site perimeter and demolition activities will start shortly thereafter.

**Impact Areas:**

Primary: Bronfman Science Center

Secondary: Clark Hall and Thompson Biology Labs

There will be moderate to loud noise within and around Bronfman associated with demolition and excavation activities. Pedestrian circulation around Bronfman will be restricted and rerouted. Construction vehicles will be entering and existing the construction zone via Hoxsey Street entrances, therefore caution should be used when in the vicinity.
