CONSTRUCTION ACTIVITY NOTICE

BIM scans of Residence Halls

Prospect, Williams, Chadbourne and Chandler

June 6, 2018

To all Occupants, adjacencies and stakeholders of:

Prospect Hall, Williams Hall, Chadbourne House and Chandler House

This correspondence provides a status update for the upcoming Building Information Systems (BIM) scanning of these buildings.

Dates for Activity: June 12-14

Prospect: June 12 at 9am

Williams: June 13 at 8am

Chadbourne: June 14 at 8am

Chandler: June 14 at 10am

Work Activities:

3D laser scanning of the interior and exterior of the buildings for the purpose of generating building information such as square footage and volume per room. This is non-contact, non-noisy, non-messy work.

Impact to Adjacencies:

- A 2 man crew will be walking the perimeter of the building with several tripod mounted cameras and reference globes.
- This 2 man crew will also be progressing throughout the entire building scanning each room of each floor.
- No disruptions to daily activities in or around the buildings should be realized.
