

ACTIVITY NOTICE – ON BEHALF of The Town of Williamstown

Water line installation – Walden Street - **Update**

September 20, 2018

The Town of Williamstown will be installing a new water line along Walden Street.

- On behalf of The Town of Williamstown, we are notifying everyone that the Town will be installing a new water line along Walden Street, from the Spring/Walden Street intersection, west to the Hoxsey/Walden Street intersection. This is work that the Town is taking upon themselves to complete to better their existing water distribution systems.
- The majority of the work is complete at the intersection of Spring/Walden Street and will continue west within Walden Street.
- Working with various Town departments, it has been decided to close a portion of Walden Street to accommodate the water line installation. Traffic will be detoured through the public parking lot. Detour signs will be installed to provide direction for vehicles
- Immediately following the waterline installation project surface improvements to Walden Street will commence. Additional information regarding this project will follow.
