**CONSTRUCTION ACTIVITY NOTICE**

Towne Field House Track Resurfacing

November 5, 2018

Users of Towne Field House;

This correspondence provides a status update project to resurface the Towne Field House track.

**Dates for Activity: November 5, 2018 – January 2, 2019**

**Work Activities: Resurfacing of track; infield and outfield surfaces.**

We have run into unexpected complications in the course of preparing the existing track surface for installation of the new track surface. These complications are forcing our expected completion date to be pushed off until January 2, 2019. The building will remain closed to all College faculty, staff and students until further notice.

If Facilities personnel need to access the building for maintenance, please call the EH&S office first.

Once the project is back in motion, I will update our expected completion date.

**If you have any questions or concerns, please contact:**
