

## **ACTIVITY NOTICE – ON BEHALF of The Town of Williamstown**

Water line installation – Walden Street - **Update**

November 27, 2018

The Town of Williamstown will be installing a new water line along Walden Street.

- On behalf of The Town of Williamstown, we are notifying everyone that the Town will be installing a new water line along Walden Street, from the Spring/Walden Street intersection, west to the Hoxsey/Walden Street intersection. This is work that the Town is taking upon themselves to complete to better their existing water distribution systems.
- **Paving of Walden Street will occur on Monday, December 3, 2018. This road will be closed on this day to accommodate this work. Access to parking lots from Walden Street will be maintained, though major delays getting into these lots will be experienced.**
- During the upcoming weeks, restoration will be ongoing. Those activities include sidewalk replacement and landscaping.
- Pedestrian access will remain along Walden Street, though may be limited to one side.
