**CONSTRUCTION ACTIVITY NOTICE**

Driscoll Hall – Window Caulking Abatement

3/15/19

This correspondence provides notification for the abatement of window caulking at Driscoll Hall.

**Dates for Activity:** March 18, 2019 through March 27, 2019

**Work Activities:** GEM Environmental will be on site to remove glazing, glazing compound and all associated materials from existing openings that will be impacted by the planned renovation/alteration work this summer.

**Impact to Adjacencies:**

- The work areas will be on the SW side of the building, including the west entrance.
- Noise should be minimal and limited to general light construction activity including minimal excavation work outside of one ground floor window.
- Work hours for the project will be 8:00 am – 5:00 pm, Monday through Friday.

**If you have any questions or concerns, please contact:**
